

**Resonate 2022 – August 1–4 (For Newly Licensed Workers\*)**  
**Nationwide Hotel and Conference Center**  
**Lewis Center, Ohio**

*\* Newly Licensed workers are required to attend EITHER Resonate or the New Official Workers Forum-Jan. 28, 2023 at the district office in Elizabeth, NJ.*

Resonate provides recently licensed workers with information on how The Alliance operates, information on available resources for the local church, and excellent networking opportunities with the National Office. It is also a great opportunity for licensed workers that have not attended this event in the last three years to participate. Workers will familiarize themselves with current operations, and this would satisfy one of the ordination and consecration requirements. District superintendents shall encourage and make possible for new workers, and those in the consecration and ordination process that have not attended the event in the past, to participate.

Registration for new official workers opened on April 1, 2022. [Resonate 2022 Registration Link](#)
